CONGRATULATIONS TO OUR 2017 YEAR 12 UMAT COHORT

We congratulate our students who performed exceptionally well in the UMAT 2017. Six students achieved above an overall result 90 percentile.

The UMAT course is held on Saturday 1:30-4:30pm during the school term and current Year 11 students are eligible to enrol. Bookings are essential!

Term 3 Test Results

End of term test reports and test papers have been returned to students during **Week 1 of Term 4**. If your son or daughter would like to ask questions about their tests, please encourage them to ask tutors in the first week of Term 4. For more assistance, you are welcome to book a *Homework Help* session (Friday 4:30pm – 7:30pm or Saturday 12.10pm – 1:10pm).

It is important to remember that Tuitionworks classes usually cover content that is 6-12 months ahead of the school curriculum. This means that some students find the program quite challenging. However, if students achieve at least **55%** in their end of term test, they are achieving a **satisfactory level**. If your child receives a mark below 55% for one or more of their term tests, they will be required to attend a *Homework Help* session to go through the test(s) with a tutor.

Please note that our class placements are based on students' term test results. Accordingly, you may find that your son or daughter changes classrooms for Term 4. These movements enable them to be in a class suitable to their learning pace.

Achieving exceptional results takes consistent long-term effort. Please encourage and support your child in every way to be eager to learn and study. Showing interest and enthusiasm is the first step towards your child's improvement.

Term 4

Term 4 will resume in the week commencing Monday 16 October 2017.

As always, the term fees for your children's tuition will be due in the first week of Term 4. **Please note that the last day to receive a discount is Saturday, 21 October 2017** (for EMW/EMS courses only). Late payments or invoices for less than 9 weeks for Term 4 are **not eligible** for the **10% discount** or **sibling discount**.

Term 4: 16 October 2017 – 16 December 2017

If you intend to unenroll for Term 4, please phone our office on **8340 7300** as soon as possible to advise us of this.

Make-Up Lessons

Students are expected to attend the day of the class they are enrolled in for the full term. If a class is missed for illness or other circumstances, we have a strict no-refund or credit policy in place. Please note that Tuitionworks cannot be held accountable for changes in commitments or personal circumstances. Students are entitled to receive their missed modules and seek help during Friday Homework Help lessons held from 4:30pm to 7:30pm. Students cannot attend a make-up lesson. Homework Help is designed to give students individual help and a range of tutors are available to assist with all subjects.

Homework Deadline

Students must submit their modules to their classroom tutor by the due date each week. Any delays in submitting homework will not be accepted and Tuitionworks will have to contact student's parents. And parents, please remember, do not help your child too much with their homework – we want to see their first attempt so that we can teach them where they went wrong. Not receiving homework on time means that we cannot benchmark all the homework from your child's class as we mark it in order to get a clearer picture of your child's performance.

Thank you for your support, and all the best for the school holidays from the team at Tuitionworks!

From the Director

Thank you for your continued support and loyalty – it is helping us to grow rapidly. If you ever have any concerns, comments, suggestions, or simply want to discuss your child's education, please do not hesitate to arrange an interview with me on 8340 7300.

Yours sincerely,

Jin Yeon
