

## Aptitude Test for current Years 8 to 11

Do you want to learn about yourself and find your *perfect* career?

We are offering a Free Aptitude Test for current Years 8 to 11 students enrolled at Tuitionworks. The Aptitude Test is extremely popular and is used in over 25 countries throughout the world. The Aptitude Test simulates the vocational counselling process by matching interests and abilities to occupations and exploring student's career options. It also explains Holland's RIASEC theory, discusses administration and scoring, contains supporting statistical data and includes interpretative information to assist both counsellors and students. Students only need to attend one of the following tests:
