

CONGRATULATIONS TO OUR SCHOLARSHIP COURSE STUDENTS!

With Scholarship offers commencing this week, we would like to warmly congratulate our 2019-20 Summer Scholarship Preparation Course cohort on their excellent achievements. Our students have so far received scholarships from **Pembroke School, Wildness School, Concordia College & Pulteney Grammar School**, ranging from **50-100%** of total tuition fees. We are sure that many more successes are soon to come. In addition, we would like to extend our best wishes to students who sat the IGNITE examination, with offers likely to commence later in the month.

We here at Tuitionworks are very proud of our students' success, and wish them all the best for this school year and beyond!

LOOKING AFTER YOURSELF

Given the current global climate, we would like to provide a gentle reminder to students to ensure they are looking after their own health. Please ensure to always follow good hygiene practice, including washing hands when using the restroom. The front desk has hand sanitiser for your use if required. If a student is feeling unwell, please consider keeping them at home to avoid exposing others. You are always welcome to call our reception at 08 8340 7300 to arrange a make-up lesson or Homework Help Session, or to pick up missed materials at your convenience. Thank you for your kind cooperation, and we wish all our students and parents the best of health.
