

Another Great Result!

Scholarship & IGNITE

We won 14 scholarships and

13 students received an offer to the Ignite program!

We would like to congratulate all the students who sat for the scholarship test and the Ignite test this year. Regardless of their results, their hard work and discipline is something to be commended.

Tuitionworks students have won 14 scholarships and the value of these scholarships add up to more than half a million dollars in savings in tuition fees!

Please note due to confidentiality reasons, we cannot publish scholarships by school name and amount.

We would also like to congratulate those who sat the test for the Glenunga Ignite programme. Thirteen of our students received an offer for this special programme for students of high intellectual potential, which is a wonderful result!

Term dates reminder

For your convenience, the term dates for the remainder of the year are provided below.

TUITIONWORKS TERM DATES 2017			
Term 3	24 Jul – 30 Sep	10 weeks	Term fees due by: Saturday, 29 July 2017
Term 4	16 Oct – 16 Dec	9 weeks	

Homework help and Maths extension

We would like to remind parents that all Tuitionworks students are welcome to attend our **free homework help sessions** which are held on Fridays between 4.30pm and 7.30pm and on Saturdays between 12:10pm and 1:10pm. If your child has missed a class, homework help is also an excellent opportunity for them to catch up on missed work and go over their modules with a tutor.

Please note that we've been running an extension Maths class for the highest-achieving students in all year levels from this term. The extension classes are held at the same time as homework help on Fridays.

Homework Deadline

Students must submit their modules to their classroom tutor by the due date each week. Any delays in submitting homework will not be accepted and Tuitionworks will have to contact student's parents. And parents, please remember, do not help your child too much with their homework – we want to see their first attempt so that we can teach them where they went wrong. Not receiving homework on time means that we can't benchmark all of the homework from your child's class as we mark it in order to get a clearer picture of your child's performance.

Thank you for your support, and all the best for the winter school holidays from the team at Tuitionworks!
