

WISHING YOU ALL A
merry christmas
AND A HAPPY NEW YEAR!

The Tuitionworks team would like to thank all families for their support this year, and commend all our students on their positive attitude and diligence.

*Our office will be closed from Friday 22 December 2017. We will return on **Monday 8 January 2018**. If you have any enquiries, please call or email our office after this date.*

CONGRATULATIONS TO OUR 2017 YEAR 12 UMAT COHORT

We congratulate our students who performed exceptionally well in the UMAT 2017. Six students achieved above an overall result in the 90 percentile. We wish them all the best in their interviews!

The UMAT course is held on Saturday 1:30-4:30pm during the school term. Current and future Year 11 and Year 12 students are eligible to enrol. Bookings are essential!

Term 4 2017 Test Results

Your child's end of term test papers and report will be mailed to your home address at the end of January 2018. For this reason, please inform our office if you have changed address recently. We apologise for any inconvenience this may cause. We endeavour to return all test papers as early as possible.

Upon receiving your child's test results, it is important to remember that Tuitionworks classes usually cover content that is 6-12 months ahead of the school curriculum. This

means that some students find the program challenging. However, if students achieve 55% in their end of term test, they are achieving a satisfactory level. If your child receives a mark of below 55% for one or more of their term tests, we recommend attending a Homework Help session in Term 1 2018 to go through the test(s) with a tutor.

***Term 1 will resume Monday,
29 January 2018***

Term 1 2018 Enrolment

If you intend to change the session time for your child's tuition classes or do not intend to return in 2018, please inform our office as early as possible.

If we do not hear from you and your child is absent in the first week of Term 1, we will assume that you will not be returning and your child's place may be offered to another student on our waiting list.

Re-Structuring Homework Help Classes

If students miss a class or need extra help with their modules, we offer a free homework help class on Friday from 4:30 – 7:30pm.

There is an abundance of tutors during this time that are dedicated to helping students. We schedule set times for students to work in small groups with a tutor and revise previous modules to further their level of understanding. Please inform us if you this is something you would like your child to participate in. We have trialled this throughout Term 4 2017 and noticed a significant increase in student's focus and understanding during classes.

Make-Up Classes

This session is also for students who miss classes during the week. Unfortunately we cannot and do not under any circumstances permit students to make up classes during alternative classes.

We permit students to change days only once during the term. However, they must remain in that session for the rest of the term. We offer this flexibility to students because we understand their co-curricular activities may clash occasionally. We cannot account for every student's individual timetable, but we hope this arrangement is suitable for parents.

ACEP Scholarship & Ignite Test Preparation Course

The ACEP scholarship preparation course will be held in January 2018 from the **8 January 2018 to 19 January 2018, 8:30am to 5pm Monday to Friday**. Please note that all places have been filled.

For those that have confirmed their position, please remember to return your **Preference Form** and signed **Terms and Conditions Form**.
